ALL ENTRIES MUST BE RECEIVED IN THE OFFICE 30 DAYS PRIOR TO THE CONVENTION/COMPETITION DATE.

Late entries will be subject to a late fee.

All entries will be accepted on a first come, first service basis and will be limited to the amount of performance time available.

COMPETITION AGE DIVISIONS

Mini: 5-8

Junior: 9-10

Intermediate: 11-12

Teen: 13-14

Senior: 15-18

- At least half of the performers must be in the age division they are entered in, regardless of the average age.
- All ages are determined by January 1, 2019.
- Age Divisions are based on the average age of the dancers in each routine. To determine the average age of a routine, add all ages together and divide by the number of dancers in the routine. When averaging ages, always drop the decimal point.
- A studio may not compete against itself in the same category with the same identical performers in the Solo/Duet/Trio Divisions. Therefore, the same dancer(s) competing with two or more Solo/Duet/Trios may do so, but only their highest scoring entry will be eligible for Divisional Overalls & Top Awards. Their other identical routines will only be eligible for General Adjudication only.
- Routines are allowed to compete in an age category higher than the average age.
- Names and ages of all dancers must appear on the roster form or it will not be accepted.
- All competing dancers must be prepared to present proof of age should a question arise.

CATEGORIES

- **JAZZ:** Primarily jazz technique, utilizing up-tempo music.
- **BALLET:** Primarily ballet or pointe technique, including classical steps and movements.

Performers should enter the category that most fits the style of the routine. If your routine does not fit in one of the above categories please enter it in the Open category. If your routine has more than 4 tumbling passes, you must enter in the Open

category. Tumbling occurring simultaneously is considered one pass.

COMPETITION FORMAT

Hollywood Dance Jamz does not have a general format in which we follow at our competitions. Every schedule is set up based on solely the breakdown of entries by Solos, Duets/Trios, Groups and Lines for that particular competition. We do not have this breakdown in numbers until all of the entries have been processed. At that time we set up a schedule, which will best accommodate the dancers at that competition.
